

Caesura 2022: Reset

The Call: Blinded by fractured light through the broken view of a kaleidoscope that has twisted our senses into a cloud of fever dreams; we reach, strive for a pattern of hope, a tessellation that integrates all our broken parts into a creation of beauty. Together we replant the seeds. We reset our gaze on the intricate and fertile patterns of empathy and love.

The editors will judge from blind lists to create the **two unique** versions of *Caesura Reset*, the **print** version and the **online** version.

NEW and **UNPUBLISHED** poets and artists, every year we recruit, appreciate, and publish your work. Please add the comment "Not yet published" to your cover page.

Everyone may submit up to **3 literary works**.

Everyone may submit up to **3 visual works**.
